

Wearable Art Show & Sale

November 4, 2010—January 2, 2011

The Slater Mill Community Guild Studios invites local artisans of all (fiber) mediums to submit imaginative and thoughtful creations for the human body. This is an opportunity for established and emerging (fiber) artists to showcase their work in a setting intimately connected to textile innovation. These pieces should be handcrafted and one-of-a-kind. They can be in the form of clothing, jewelry and accessories. This is a perfect opportunity to gear up for the upcoming holiday season! A panel of jurors will review the submissions and select those entries that will participate in the *Wearable Art Show & Sale*.
